

Vacancy Notice 152/2019

The Otto von Guericke University Magdeburg (OVGU) is an internationally oriented and regionally networked university with a strong research profile.

The Faculty of Mathematics seeks to fill the following vacancy at the Institute of Mathematical Optimization:

Research Assistant (m/f/d)

Salary Scale:	Date commencing:	Fixed term until:	Contract status:
13 TV-L	01.10.2019	30.09.2022	100 %

Requirements for the position:

- An above average Master or Diploma degree in Mathematics or similar with strong mathematical background
- Documented knowledge and experience in mathematical optimization

The position is available either for PhD students or for senior researchers. It will be linked to a work group at the Institute for Mathematical Optimization at the Department of Mathematics. Depending on scientific interests this may either be in the group of Prof. Volker Kaibel (https://www.math.uni-magdeburg.de/institute/imo/ag_kaibel/) or of Prof. Sebastian Sager (<https://mathopt.de>). A teaching duty of 4 hours per week exists.

The research of the institute covers a wide spectrum in continuous and discrete optimization. The DFG Research Training Group “Mathematical Complexity Reduction” (<https://www.mathcore.ovgu.de>) offers many possibilities for PhD students and Postdocs.

For further information about the positions, feel free to contact sager@ovgu.de or kaibel@ovgu.de.

Applications from disabled persons will be given priority in the case of equal suitability, ability and professional expertise. The Otto von Guericke University aims to increase the proportion of women researchers within the university and specifically encourages women to apply.
